We hope that you are having an enjoyable summer so far. The heat is here once again. If you are needing a portable version of an air conditioner I have included a picture of the one that I have purchased for the office. I have one at home as well and they work quite well in a small area. They are inexpensive and I purchased mine at Amazon.

Stay cool and remember to check in on each other.

This will be a more condensed newsletter due to holidays and Gaming Grant preparation.
